In 1997, the Messiah Project presented the first Holiday Prelude Festival, in which traditional and contemporary music, dance, and visual art combined to create a festive display of holiday joy. Continuing in the same spirit of celebration, the directors of the Messiah Project are again planning a regional festival to encourage artists to illustrate their Jewish and Christian heritage through the arts. Incorporating primarily themes of Thanksgiving, Hanukkah, and Christmas, The Miracle of Christmas brings all the arts together under one roof at the Juanita K. Hammons Hall for the Performing Arts on December 18, 2009. Bring your talents and join the celebration.
